Tacoma Polo Club Field Guidelines

Field use by Dog Sport Clubs is a privilege we currently enjoy. This property is not a commercial site but someone's home and a working horse facility. To keep it available to us, all clubs, participants, and guests should be aware of the following:

- Enter the property from 8th Avenue only. Drive slowly, especially if dogs are running and especially near the high foot traffic area near the clubhouse.
- The Tacoma Polo Club field should be kept impeccable for the horses. Anything that negatively impacts the condition of the field may result in a club's access to the field being revoked. Do not drive cars on/across the field or tamper with the sprinkler system. Parking should not be done on the field edges as there is plenty of space past the clubhouse.
- All dogs must be on leash except when actively running. Occasionally you will see the property owners driving in a Kubota with their cattle dogs running alongside. This rule still applies to us.
- Place trash in the dumpster ONLY. Don't use cans from storage or pile trash around the dumpster. If the dumpster is full, please pack it out with you to not encourage wildlife with uncontained trash.
- Pick up after your dogs. If you see a pile, please pick it up. Dispose of dog poop bags in the dumpster only, or pack your trash out with you.
- Do NOT allow dogs to urinate on cones, chairs, garbage cans, maintenance vehicles, etc. that belong to or need to be touched by someone else to move or pick up.
- Porta Potties are for human waste/TP only. Do not place poop bags or other trash in the toilets, or we could lose the service.
- If a paddock gate is closed, do not enter (even if there are no horses visible). You may walk dogs on leash in open paddocks - do not allow dogs off leash in paddock areas.
- Overnight dry camping is available with the following guidelines:
 - Please always park/set up camp beyond the clubhouse. Very rarely, a special accommodation has been made with the property owners and/or club ahead of time.
 - There is no power available for overnight camping.
 - As a rural property, you may see ant hills. Take a look before you fully set up. If you find one, tell a club member who can alert the owner to deal with it in the next few days.
 - Use of grills / BBQ / contained fire pit is permitted outside of the paddock/racing area, open fires are not allowed. The property gets bone-dry in the summer so be sure nothing is close to trees or tall grass (maybe keep an extinguisher close at hand).
- Parents or Guardians are responsible for their children. A few things to note:
 - Horses can have a scratch but do not enter the paddock to do so. Be respectful to the horses, please do not feed them things they should not eat.
 - It's a working ranch, so be aware of sharp tools on the premises.
 - The white house at the end of the property is a private and occupied residence. Respect their privacy and avoid the area.
- Exhibitors are responsible for informing their guests, who may not have read the premium list / race flyer, of these rules.
- Anyone observing any failure to follow these rules or any behavior, however innocent, that may jeopardize the privilege of future use of the Tacoma Polo Field should bring it to the attention of one of the Host Club Members.
